# About Us

**Living with style, since 1964.**

Stylish home décor, top-class seating comfort, pioneering design, innovative functionality and top quality that is "Made in Germany" – Rolf Benz has been synonymous with all this since 1964. In addition to seating furniture, Rolf Benz now also includes dining tables, beds and cabinets in its range. Top-quality furniture that is used anywhere in the world where timeless elegance and premium quality is appreciated. Even though standards may change over time, they will always remain high at Rolf Benz. This is also underlined by the numerous national and international awards the company has won in recent decades.
